|                        |  |
|------------------------|--|
| <b>Casing</b>          | Plastic                                      |
| <b>Protection</b>      | IP 68  |
| <b>Weight</b>          | 10.2kg                                       |
| <b>Source of light</b> | LED  |
| <b>Temperature</b>     | -30°C to +50°C                               |
| <b>Mounting</b>        | by using 3, 4 or 5 M12 screws                |
| <b>Battery</b>         | 200 Wh / 8.4V / 24Ah capacity                |
| <b>Visibility</b>      | 4-7 NM (approx. 5.5-13km)                    |
| <b>Beam angle</b>      | 360° (horizontal)<br>> 8° (vertical)         |
| <b>Max. intensity</b>  | WH 445cd<br>RD 239cd<br>GN 290cd<br>YE 320cd |

## Options (not retrofittable)

- 96 Wh battery
- 186 Wh battery
- 10° vertical beam angle

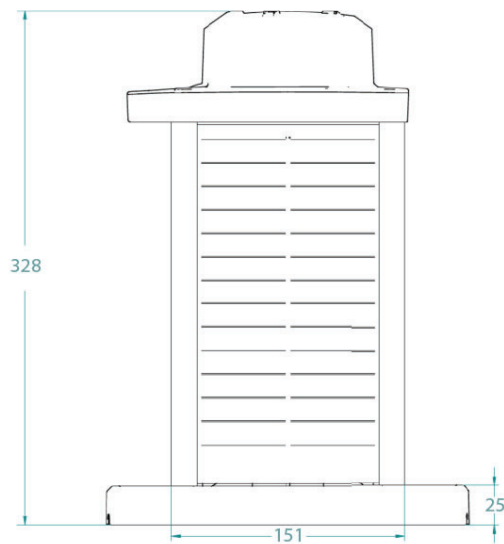

## Accessory

- Programming device
- Safety bolt
- Base
- Support tube
- Wire guard

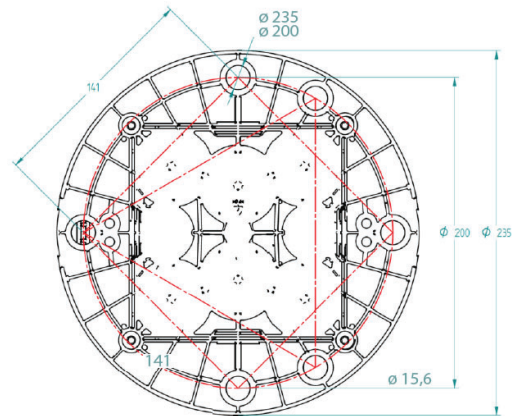

## Order Information

|                        |            |           |  |
|------------------------|------------|-----------|--|
| <b>Order number</b>    | M860cc-200 |           |  |
| <b>Color code (cc)</b> | WH white   | YE yellow |  |
|                        | RD red     | GN green  |  |
| <b>Battery</b>         | 200 Wh     |           |  |
